Senior Banquet

Seniors and Parents engage in small talk before entertainment.

Mr. Dorr sets an example – Boys??

The 1969 Parent Senior Banquet was held at the Royal Fork Inn at Yakima. Entertainment was provided by the seniors' parents following the buffet style dinner.

Organization . . . that's the key.

Senior Assembly

The 1969 Senior Assembly will be best remembered for its time consuming practices . . . What could be more time consuming than water balloon fights, parties, and dragging the Wapato main??? But all and all, the hard work paid off in the end; the assembly was a success.

A beer is a beer is a beer . . .

Hummer does his thing.

HOMECOMING '69

We sold annuals until I'm sure we dreamed about it at night. At the end, after things were done, we had all grown closer and learned a lot besides the material things we worked for.

Outstanding Juniors and Boy and Girl Staters

The title of Boy and Girl Stater is awarded annually to four Juniors and two alternates. This honor is given by the American Legion and Auxiliary. For one week during summer vacation, the girls go to C.W.S.C. where they practice procedures in city, county, and state government. The boys are sent to a similar conference at Gonzaga University.

The Masonic Council of Education each year selects ten outstanding juniors from various valley schools. They are chosen on the basis of character, scholarship, citizenship, and leadership.

IN MEMORIAM . . . .

TO ARLENE

Music, when soft voices die,
Vibrates in the memory—
Odours, when sweet violets sicken,
Live within the sense they quicken.

Rose leaves, when the rose is dead,
Are heaped for the beloved's dead
And so the thoughts, when thou art gone,
Love itself shall slumber on.

Percy Byshe Shelley

Wapato High School suffered a great loss, when a tragic car-train accident on October 18, 1968, took the life of Arlene Edgerly.

As a junior, she was an active member of Band, Pep Club, and Girl's Athletic Association.

Miss Edgerly's warm personality and good nature will be greatly missed but the thought of her will remain an everlasting memory at Wapato Senior High School.

Splitting the season with four wins and four losses, the Wolves looked very impressive for the coming year. In league meets the Wolves won all races but one, and took a 5th place in the Idaho Invitational.

Tony Hernandez led this year's team by placing first in all races except three. He showed his great strength and endurance by placing 2nd in the Idaho Invitational and 3rd in the State meet.

With the Wapato runners finishing the season with a 3rd place in the League meet and a 3rd place in the District meet, the once again proved Wapato to be a strong contender for the State meet next year.

Although this years Wolfpack was very small they made up for their lack of height with continous hustle and determination.

This years team was led by seniors Mark Groszhans and Dan Labbee. With the consistent play of these two players, Wa-Hi lost none of its pride in Basketball.

Under new head coach Jerry Groenig the Wolfpack showed their spirit and love for the game. Finishing in a tie for sixth place the Wolves were forced into a playoff only to be beaten for a berth in the District Tournament.

Coinciding with the varsity, this years B-Squad was also very small. But by wanting to prove themselves to the new coach and Wa-Hi they made a tremendous impression. With their fast moving, always hustling brand of basketball this years B-Squad showed their pride for their new coach and Wa-Hi.

Under the coaching of Dave Andress and Ray Cooper the wrestling team showed its agility and strength in team competition.

Again this year the tennis team of Wa-Hi had a very successful season. With a league record of 6-1 and a season record of 13-3, Wa-Hi placed second place in the Mid-Valley league. This however was the first time in three years that Wa-Hi did not capture the league championship.

Lead by the Boys first single, Boys first doubles, and Girls first doubles, Wa-Hi placed second in the Sub-District and second in the District matches.

Sophomore Tim McClelland, juniors Dale Cummings, Mikal Young, and seniors Jack Bunnell, and Rena King all qualified for the State Meet.

Coach Hurd is looking forward to a very good team next year, because of all the talented sophomores and juniors on the team.

BOYS 1st DOUBLE: Tim McCelland, Jack Bunnell.

BASEBALL

The 1969 baseball season was a disappointing one for Wa-Hi. The season started on a good note with a pair of wins over arch-rivals Toppenish, but continued down hill from there.

The team was hurt this year by the continuous errors. The players worked hard and long hours in practice to rid themselves of the costly errors, but no matter how hard they tried, the errors again struck in the crucial games.

The Wolves had several games that could have gone either way, but because of the errors they turned out bright for the opponents.

This years team was lead by four Seniors, Mike Nettleton, Steve Walker, Bill Dalton, and Glen Hata. Dalton was named Honorary Captain and Hata led the teams batting average with a 356 pct. Hata also won the Inspirational Award for baseball.

The team had many Juniors and Sophomores and is looking forward to a much better year next season.

Mr. Tomisser and the 1969 Track Team enjoyed one of their finest seasons ever. Led by seniors, Ron Grosz and Dan Labbee, and juniors Tony Hernandez, Wa-Hi finished first in the league, second in District competition, and fourth in the State Meet. Track proved to be the least disappointing sport for Wa-Hi this year, demonstrating its athletic prowess to students of the valley and throughout the state.

GOLF

After a years absence at Wa-Hi, golf has returned.

The team this year was very inexperienced and it showed in their play. Consisting of three seniors, one junior, and three sophomores, the team was able to manage only one win in eight matches.

The matches were scored on a fifteen point system, with each of the five boys in the match being able to win a total of three points.

Under the leadership and guidance of director Mr. Hurd, this years Intramurals program again turned out very well.

The program this year consisted of two leagues, each having five teams. After having a league schedule, the teams competed in a tournament. Following the tournaments of past years, the top two teams of each leagues were placed in the A tournament and the rest were placed in the B tournament.

The Rising Sons had no trouble getting to the tournament but their opponents had a different story. The Disassociated Swamp Stompers were beaten in their first game of the tournament, but by showing their want to play in front of the student body, they worked their way back up the ladder to face the Rising Sons.

The fine shooting team of the Rising Sons was too much for the Swamp Stompers to handle. Although the game was hard fought and very exciting, the Rising Sons came out the victors. Rising Sons 51 Swamp Stompers 45.

A Yearbook tries to keep a written and pictorial record of the many activities, and people in high school. The annual staff worries about missing pictures, rewritten copy, bills, and deadlines, but no matter what disasters strike, the WASEHIAN seems to be ready for fall delivery. True, names are sometimes misspelled and pictures fuzzy, but the Wasehian staff always creates a year book that students and faculty can be proud of.

This year has been characterized by a fine feeling of cooperation. Progress in making our school the finest in the area has continued and all students deserve credit for that progress. Thanks go to the graduating seniors for carrying out their leadership role, and to Juniors and Sophomores who have been behind our every move and who will be the classes to carry on the good name of Wa Hi.
